Government of Kupoor

Kuzzaki department

Sir,

Referring to para 5 of Government Proceedings No. 215-6 Kuzzaki F 8-95 dated 10th August 1895, I have the honor to state that the system of issuing raw rations to travellers has been introduced into three out of the four* Chateaus in this District and to request sanction to bring the system into force in the case of the Jeun Kund Cassba Chateau also, with effect from 1st January 1900. The Chateau, like the others, has a monthly grant of Rs 42-14-0 which will be utilized as shewn below under the proposed system.

1. Cook and waterman Rupees 6-0-0 per month
1. Sweeper ——— 4-0-0 ——00—
For distribution of rations ——— 32-14-0 ——00—
Total Rs 42-14-0

2. I beg to bring to your notice that Mayasundra is a halting station for Bycragees on the Mysore Seira road and that no provision exists for distributing rations to them at the place. Mayasundra is 20 miles from Nagamangala on the one side and 16 miles from Kottur on the other. I would recommend that an expenditure of Rupees 10 per mensem may be sanctioned for Mayasundra, in the same way as Kottur. The Shekdar at Mayasundra will supervise the distribution of rations and render accounts to the Taluk Cutcherry.

This has also to be sanctioned separately for Mayasundra

Letter No 425 dated 14th Nov 1899 from the Dy Comr, Tumkur on soliciting sanction to the introduction of the system of issuing rice rations instead of cooked food into the Mariyamma chattram at Tumkur.

No 1018-9 / Rev 7-8-95

Dy 5.4.1900

order thereon:—

As recommended by the Dy Comr, the introduction of the system of issuing rice rations instead of cooked food into the Govt chattram at Tumkur is sanctioned with effect from 1st May 1900.

2. The Jasdik of the aforesaid chattram which amounts to Rs 42-14-0 a month will now be re-distributed as follows:—

1 Brahmin Servant	Rs 6-0-0.	
1 Sweeper	Rs 4-00.	
	Rs 10-0-0	
Feeding allowance	Rs 32-14-0	
	Rs 42-14-0	

3 No rice allowance will hereafter be given to any of the Chattram servants. The ~~Kuttaram~~ Brahmin servant will supply water to travellers and also, when necessary, cook food for the aged or sickly travellers that may stand in need of such help.

4. The Dy Collector further reports that ~~there is at present no provision~~ travellers halting at Nagavandra, – a halting Station for Bynagees 20 miles from Nagamangala on the one side and 16 miles from Kittur on the other are at present put to much inconvenience for want of food and therefore recommends that a sum of Rs 10 each of the feeding allowance of Rs 32-14-0 of the Tumkur Chattram may be assigned for the distribution of rations to travellers halting

at Jayasandra, the Sheikdar of the place being required to distribute the rations and ~~render proper accounts~~ to the Taluk Amildar This proposal is also sanctioned tentatively for one year, with effect from 1st May 1900.
